Lifeline Pendant Alarm

Our telecare alarm and pendant provides you with the ability to call for help 24 hours a day , 7 days a week, enabling you to carry on living your life safe in the knowledge that if a situation arises, you can summon help immediately.

The lightweight, discreet pendant will work anywhere in the average house and garden. The pendant can be worn around the neck or on the wrist providing reassurance to family, friends and carers whilst supporting confidence and peace of mind when around the home.

Our expert team will fit the alarm quickly and easily during the installation appointment.

Key Safes

Ensure quick access to your property in an emergency with our Police approved key safes. Keys can be securely stored inside the safe and can only be accessed using a code.

Smart technologies to help support a range of conditions and help provide independence

In addition to the pendant lifeline we have a wide range of technologies to support your well-being.

We can provide tailored packages to support such conditions as:

- **Dementia** • **Mobility issues**
- **Hearing impairments** • **Strokes**
- **Parkinson's** • **Anxiety** • **Epilepsy**

These technologies can provide automatic alerts, medication reminders, activity/inactivity monitoring, home automation, GPS tracking and more.

These products can help you to remain independent in your home for longer, manage health conditions and support your well-being.
